Continental distribution and events

Based on the results of the past two (2) IAAF World U18 Championships each Continent will be allocated a number of quota places ensuring the maximum quotas per event are respected and universality respected through the continents.

The top ranked athletes at the respective Area/Continental Youth Championships (or selection competitions or approved selection criteria) from each area per event according to the above table will be allocated a quota.

The table above outlines the quotas by event and area using the results of the past two (2) IAAF World U18 Championships.

Universality Places

All NOCs will have the right to be represented at the YOG by at least one (1) athlete (male or female) and, in an event to be decided in cooperation with the corresponding Area Association, will be guaranteed at least one (1) of the quota places in D1 or D2.

In case an NOC qualifies through D1 or D2 the Universality Place is no longer applicable and the NOC will not receive an additional quota place.

In case an NOC has not obtained a quota place through D1 or D2 one (1) quota place will be allocated in order to ensure Universality.
